LEARN | Words and phrases to inspire action

It starts with a prerequisite set of beliefs

For you to inspire action, prospects or clients must believe you:

- Understand them
- Validate their feelings and thoughts
- Are genuinely interested in forging a partnership with them

It often takes pivotal moments for a prospect's or client's virtual light to turn on and inspire them to act. As an advisor, using certain words and phrases can help increase the likelihood of these moments of inflection occurring.
