Who We Serve

Defined Benefit Plans

With four decades of asset management experience, we offer a broad range of investment strategies and outcome-oriented solutions to help private and public pension plan fiduciaries outperform their benchmarks, implement asset/liability strategies, manage risk and address the unique needs of their plan's beneficiaries.

Defined Contribution Plans

We believe that our award-winning active investment funds, spanning both traditional and alternative investment strategies, may enable plan sponsors to enhance the quality and diversity of the investment options that they provide to their participants to help them achieve their personal financial goals.

Endowments and Foundations

We specialize in designing and managing custom and commingled investment solutions to help managers of endowments and foundations achieve their return requirements, mitigate macroeconomic and financial risks and, whenever possible, devote more of their time to furthering the overall mission of their organizations.

Sovereign Wealth Funds

Our innovative products, market insights and investment solutions capabilities enable us to address the unique needs of Sovereign Wealth Funds around the world.

Insurance Companies

Effective partnership for the long term requires both indepth regulatory knowledge as well as specialist investment expertise. We favor a consultative approach, designed to meet the unique needs of insurance companies.

Consultants

We scan the landscape constantly for opportunities aimed at enhancing the firm's ability to deliver superior investment performance; deepen our commitment to a best-in-class investment culture; and exceed our clients' expectations.
