[Navigating Shifting Currents in International Equity Markets](#)

September 27, 2021

London - We see some challenging crosscurrents driving the international equity markets, although we are optimistic about their long-term prospects overall. Here, we offer some perspectives on what we see as areas of lingering concern, and how we believe investors can best navigate this complex, shifting backdrop.

[International Small Caps - Challenge and Opportunity](#)

September 20, 2021

London - Since early May, international small-cap stocks, as measured by the MSCI EAFE Small/Mid Cap Index, have risen by over 2%, and are now trading at all-time highs. Having risen by 14% so far this year (as of September 13), international small caps are outpacing their international large-cap counterparts in 2021.
