[Engagement update: 80% of Top 100 companies agree to disclose diversity data](#)

By: [John Wilson](#) | November 19, 2021

Investors often lack the information that we need to evaluate corporate diversity performance as a material issue for our investment decisions. This issue brief details Calvert's engagement effort to ask companies to make their EEO-1 reports public, and to release their pay equity data.

[Navigating Shifting Currents in International Equity Markets](#)

London - We see some challenging crosscurrents driving the international equity markets, although we are optimistic about their long-term prospects overall. Here, we offer some perspectives on what we see as areas of lingering concern, and how we believe investors can best navigate this complex, shifting backdrop.
