[Navigating Shifting Currents in International Equity Markets](#)

September 27, 2021

London - We see some challenging crosscurrents driving the international equity markets, although we are optimistic about their long-term prospects overall. Here, we offer some perspectives on what we see as areas of lingering concern, and how we believe investors can best navigate this complex, shifting backdrop.

[Bullish and Bearish COVID Developments: CDC Advisors Say the Delta Surge Is Over](#)

September 24, 2021

Boston - According to a new analysis by a consortium of researchers advising the CDC, the Delta surge will likely decline steadily now through next spring — without a significant bump up in the winter. As a result, we expect this will be our last weekly update on health policy responses and other COVID developments.

[Fed Sets 8-Month Tapering Schedule, Starting in November](#)

September 23, 2021

Boston - The U.S. Federal Reserve had what I would describe as a moderately hawkish meeting on Wednesday, as it accelerated its timetable for tapering, and set the stage for eventual rate increases.
