[Where's the Trickle Down? Gender Diversity in Corporate Pipeline Lags the Boardroom](#)

March 15, 2024

"The data indicate the trickle-down effect has not noticeably closed the gender diversity gap, and the pipeline issue still hampers the career advancement of women and others."

[Bridge to ESG Integration: Country Selection in Emerging Markets](#)

December 14, 2023

"EM countries often have weak governance institutions and poor economic freedom, which is reflected in EM valuations. But, as with many ESG issues, what matters most is the direction and rate of change."

Before investing in any Eaton Vance, Calvert or Morgan Stanley Investment Management Inc.-advised fund, prospective investors should consider carefully the investment objective(s), risks, and charges and expenses. Read the prospectus carefully before you invest or send money. For **open-end mutual funds**, the current prospectus contains this and other information. To obtain an **open-end mutual fund** prospectus or summary prospectus and the most recent annual and semiannual shareholder reports, contact your financial advisor or [download a copy here](#). For **closed-end funds**, you should contact your financial advisor. To obtain the most recent annual and semi-annual shareholder report for a closed-end fund contact your financial advisor or [download a copy here](#). To obtain an **exchange-traded fund**, ("ETF") prospectus or summary prospectus, contact your financial advisor or [download a copy here](#).

Before purchasing any **variable product**, consider the objectives, risks, charges, and expenses associated with the underlying investment option(s) and those of the product itself. For a prospectus containing this and other information, contact your investment or insurance professional. Read the prospectus carefully before investing.
