[Value Investors May Find Opportunities among Generational Shifts](#)

April 26, 2022

Boston - Value stocks are at an unprecedented valuation discount relative to growth stocks. We believe, despite some potential uncertainty ahead, there may be significant, generational opportunities for alpha¹ creation for value investors in today's markets.

[2022 Outlook: Global Environment Favors Quality Stocks in Non-U.S. Markets](#)

January 18, 2022

London - The increase in market volatility, driven by the Omicron variant, is yet another reminder that navigating global equity markets is likely to remain challenging in 2022. We believe, however, that higher-quality companies,¹ particularly those in international markets, may offer active managers attractive stock selection opportunities.
