[Engagement update: 99% of Top 100 companies agree to disclose diversity data](#)

By: [John Wilson](#) | November 23, 2022

Investors often lack the information that we need to evaluate corporate diversity performance as a material issue for our investment decisions. This issue brief details Calvert's engagement effort to ask companies to make their EEO-1 reports public, and to release their pay equity data.

[Slowing Global Recovery, Geopolitical Concerns Top Worries at IMF Fall Conference](#)

By: *Emerging Markets Debt* | November 15, 2022

Boston - The October fall meeting of the IMF in Washington, D.C. revealed a bleaker global economic outlook than in April, underscoring the protracted strains of global inflation and the Russia-Ukraine War. Multi-decades high inflation, elevated debt, rising food and energy security risks, persisting supply-chain and trade disruptions, tightening financial conditions, and growing capital flow and exchange rate volatility, are

posing increased fragmentation risks.
