## [Engagement update: 80% of Top 100 companies agree to disclose diversity data](#)

By: [John Wilson](#) | November 19, 2021

Investors often lack the information that we need to evaluate corporate diversity performance as a material issue for our investment decisions. This issue brief details Calvert's engagement effort to ask companies to make their EEO-1 reports public, and to release their pay equity data.

### [Does an Ethnically Diverse Board Mean Better Stock Performance?](#)

By: [Yijia Chen, CFA](#) | November 17,

2021

**Washington** - Over the last 50 years, we have seen the key driver of the global economy shift from natural resources to human talent, ushering in the era of the "Talent Economy." This megatrend now impacts all major economies as companies place greater focus on intellectual capital and a diverse workforce as material, competitive factors for business success.

### [Why Policy Choice Matters for Socioeconomic Mobility in Emerging Markets](#)

By: [Marshall L. Stocker, Ph.D., CFA](#) |

November 2, 2021

**Boston** - Intergenerational mobility has long been considered critical for economic growth in emerging markets (EM) economies, given its association with higher per capita GDP and lower poverty rates. As EM investors, we believe that a better understanding of mobility can yield important insights into the areas of reform that support improved long-term growth and social outcomes.
