### [Engagement update: 99% of Top 100 companies agree to disclose diversity data](#)

*November 23, 2022*

Investors often lack the information that we need to evaluate corporate diversity performance as a material issue for our investment decisions. This issue brief details Calvert's engagement effort to ask companies to make their EEO-1 reports public, and to release their pay equity data.

## [Brazil Narrowly Elected Lula: What's Next?](#)

November 16, 2022

**Boston** - Elections in Brazil are over, with Luiz Inacio Lula da Silva, known as "Lula," emerging the victor by a narrow margin — in line with poll predictions and the EMD team's expectations. After a few days of uncertainty, the succession process appears to be on track, with Bolsonaro giving a short speech where he did not technically concede, but said he would respect the transition of power.

## [Slowing Global Recovery, Geopolitical Concerns Top Worries at IMF Fall Conference](#)

By: [Emerging Markets Debt](#) | November 15, 2022

**Boston** - The October fall meeting of the IMF in Washington, D.C. revealed a bleaker global economic outlook than in April, underscoring the protracted strains of global inflation and the Russia-Ukraine War. Multi-decades high inflation, elevated debt, rising food and energy security risks, persisting supply-chain and trade disruptions, tightening financial conditions, and growing capital flow and exchange rate volatility, are posing increased fragmentation risks.

## [Overcoming Behavioral Biases: The Importance of Our Proprietary Portfolio Exercises](#)

By: [Edward J. Perkin, CFA](#) | November 9, 2022

**Boston** - All humans have behavioral biases, those blind spots that can impact decision-making. Some people are overconfident about their abilities; others attribute too much value to things in their possession; some feel the pain of loss much more so than an equivalent amount of gain.
