[Engagement update: 99% of Top 100 companies agree to disclose diversity data](#)

By: [John Wilson](#) | November 23, 2022

Investors often lack the information that we need to evaluate corporate diversity performance as a material issue for our investment decisions. This issue brief details Calvert's engagement effort to ask companies to make their EEO-1 reports public, and to release their pay equity data.

Opportunities in Emerging Markets, Navigating Beyond China

KEY POINTS

- 1 Emerging markets (EM) have better growth, lower inflation, and less sovereign and private debt, yet EM equities and currencies trade at crisis-level valuations.
- 2 Despite the slowdown in China, we expect many other EM countries to see an acceleration in growth, which will drive earnings and market share.
- 3 The growth story is underpinned by the post pandemic recovery, a manufacturing renaissance, commodity tailwinds, digitization and a favorable political cycle.
- 4 We believe that most investors are under-allocated to EM, considering the potential returns from this asset class.
