[Volatility and Inflation in Latin America: A Window Opens](#)

By: [Emerging Markets Team](#) | June 1, 2022

Boston - Concerns over inflation and central bank responses have driven market volatility to very high levels around the globe. But while this is a fairly recent phenomenon in the G10 space, it has been playing out in Latin America over the last 18 months. The enormous volatility in local markets is now opening opportunities for investors who have been increasingly asking when and where they should buy duration.
