[Higher Volatility in 2024 May Present Attractive Entry Points for High Yield Bonds](#)

[KEY POINTS](#)

- [1. As global central banks near the end of a historical cycle of tightening monetary policy, we believe a moderate recession is a more probable outcome in 2024.](#)
- [2. Increasing dispersion in valuations across rating segments, sectors and individual issuers will continue to provide opportunity and the ability to capture attractive entry points.](#)
- [3. We have maintained our cautious positioning and continue to prefer defensive sectors that trade wide of historical norms, such as health care, given the sector's historically defensive characteristics.](#)

[Brazilian Economy Boosted by Reasonable Government Legislations and Tight Monetary Policy](#)

By: [Paul Psaila](#) | February 5, 2024

[KEY POINTS](#)

- [1. A year into President Lula's term, the political and economic situation in Brazil is better than many had expected.](#)
- [2. The economy will likely grow more than expected as interest rates continue to fall.](#)
- [3. We believe Brazil remains cheap compared to other emerging markets with lower inflation and rates acting as a tailwind for growth.](#)

Real Estate Investors Eye Opportunity Amid Strong Fundamentals Fueling Growth for High Quality Assets

KEY POINTS

- 1. Real estate has re-priced meaningfully over the last two years; returns following periods of re-pricing have typically exceeded historical averages.
- 2. Strength in real estate fundamentals should support rent growth for high quality assets in sectors backed by long-term demand drivers.
- 3. We believe debt maturities and the higher-for-longer interest rate environment will lead to idiosyncratic seller distress and attractive recapitalization/credit investment opportunities.
