We need your vote

Eaton Vance is being acquired by Morgan Stanley. Fund shareholders are being asked to approve new investment advisory agreements and, where applicable, new investment sub-advisory agreements to help ensure that the Funds continue to operate without interruption.

HOW TO VOTE

On October 8, 2020, Eaton Vance Corp. (Eaton Vance) and Morgan Stanley announced that they had entered into a definitive agreement under which Morgan Stanley will acquire Eaton Vance and its affiliates, including Eaton Vance Management, Parametric Portfolio Associates LLC (Parametric) and Calvert Research and Management (Calvert). Eaton Vance’s Board of Directors and Voting Trustees believe this acquisition is in the best interests of our clients, business partners and employees.

Morgan Stanley and Eaton Vance expect the transaction to be completed no later than early in the second quarter. Subject to the satisfaction of customary closing conditions, including receipt of necessary regulatory approvals and client consents, the transaction could take place as soon as March 1, 2021.
About the acquisition
• Creates a $1.2 trillion global asset manager with complementary investment capabilities and distribution strengths
• Expands breadth and depth of investment strategies, enhancing our commitment to provide world-class client solutions
• Provides additional market opportunities for our investment teams in the U.S. and internationally

Why you should vote
Fund shareholders are being asked to vote to approve new investment advisory agreements and, where applicable, new investment sub-advisory agreements. Your vote is important because the acquisition may cause each Fund’s existing investment advisory and, where applicable, investment sub-advisory agreement to terminate. The Funds’ investment objectives, investment strategies, portfolio managers and brands are expected to remain the same upon closing of the transaction.

How to vote
Voting is easy and shareholders may vote online, by phone, by mail, or at the shareholder meeting. Please follow the instructions on your proxy card or voting instruction form to vote. Below are voting links for more detailed voting steps.
