EXPERT INSIGHTS

RESPONSIBLE INVESTING

The US SIF, ESG indexes and Responsible Investing

July 31, 2020

Washington - The US SIF Foundation this week released its latest report, "The Rise of ESG in Passive Investments," which explores the growth of passive environmental, social and governance (ESG) investing and the debate on the effectiveness of passive versus active ESG mutual funds. Calvert Research and Management was among the asset managers that contributed to the report, which also drew on publicly available data and insights from the US SIF Foundation research advisory committee.

EMERGING MARKETS

EM debt rebounded strongly in the second quarter

July 14, 2020

Boston - The second quarter represented a dramatic rebound for financial markets, including emerging markets, after the severe sell-off in March. COVID-19 continues to pose a generational challenge to the lives and livelihoods of some of the world's most vulnerable people.
