Strategies

We bring institutional clients seasoned experience in fundamental bottom-up and top-down investing, global macro investing, rules-based investing and responsible/ESG investing.

FIXED INCOME

Active management, in-depth fundamental research and downside risk management are at the core of our fixed-income approach. Specialized sector teams calibrate risk and reward as we strive to meet the unique objectives of each institutional client.

ALTERNATIVES

Alternatives can play a powerful role in institutional portfolios, as they offer the potential to enhance diversification, lower portfolio volatility, provide incremental income and improve risk-adjusted performance. We offer absolute return strategies, a commodity strategy and option overlay strategies.
