U.S. fixed-income market: Optimism and pressure

Boston - U.S. financial markets posted broad gains in the fourth quarter of 2020, adding to positive returns from the second and third quarters of the year. In many respects, and surprisingly, the markets ended the year much like they had begun, with U.S. equity markets trading at record highs, and credit spreads on investment-grade and high-yield U.S. corporate bonds narrow by historical standards.
