### Access specialized strategies

At Eaton Vance, you can choose active, passive, rules-based and responsible investing strategies that go beyond traditional, mainstream models.

Whether your clients seek to grow wealth, generate income, manage volatility and/or reduce taxes, the specialized strategies we offer through our five independent affiliates can help you fine-tune their approach.

### Focused on what's next

Our approach is grounded in independent insight and a unique perspective that anticipates investors' needs rather than merely following industry trends.

It's a progressive mindset that has served our clients well for more than 90 years.

*At Eaton Vance, we value independent thinking. We encourage our affiliated investment teams to share their perspectives. Because we believe that when investors hear a range of strongly argued perspectives, they sharpen their own independent views.*

*Before investing in any Eaton Vance fund, prospective investors should consider carefully the fund's investment objective(s), risks, and charges and expenses. For open-end mutual funds, the fund's current prospectus contains this and other information about the fund. To obtain a mutual fund prospectus or summary prospectus, if available, and the most recent annual and semiannual shareholder reports, contact your financial advisor or download a copy here. Read the prospectus carefully before you invest or send money. For closed-end funds, you should contact your financial advisor. To obtain the most recent annual and semi-annual shareholder report for a closed-end fund contact your financial advisor or download a copy here. Before purchasing any variable product, consider the objectives, risks, charges, and expenses associated with the underlying investment option(s) and those of the product itself. For a prospectus containing this and other information, contact your investment or insurance professional. Read the prospectus carefully before investing.*
