### How Calvert Helped Create the Barron's Most Sustainable Companies List

Calvert Research and Management

This marked the seventh year in a row that Calvert scored the 1,000 largest U.S. publicly traded companies across 230 environmental, social, and governance (ESG) performance indicators for Barron's annual list of the "100 Most Sustainable U.S. Companies." The top 100 firms included in Barron's achieved the highest scores across those ESG metrics, ranging from workplace diversity to greenhouse-gas emissions. Here's a brief look at how we did so.

### ESG Research and the Global Energy Transition

Calvert Research and Management

**Washington** - According to Calvert Senior ESG Research Analyst Emily Wagner, there are certain companies in the Materials and Industrials sectors she covers that are critical to driving innovation in the global energy transition away from fossil fuels. Yet certain materials and chemicals produced by those companies can present local and global ESG challenges as part of that transition.
